

The mission of Iseikai Hospital is to provide advanced, high quality medical care for the restoration and creation of life and health.

■ Reception Hours

Reception hours vary depending on the department, so please contact us in advance if you are new to the hospital. Morning consultations run from 08:00-12:00 and afternoon consultations from 12:30-17:00.

We kindly ask for your cooperation in limiting your consultation to two clinical departments per day.

■ Closed Days

Sundays, National Holidays and New Year's Day (afternoon of December 30 to January 3).

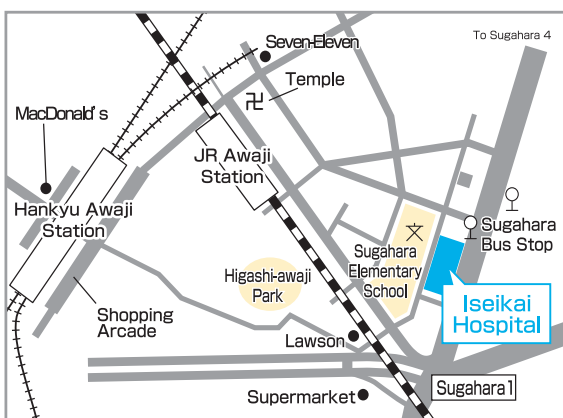

■ Highly Professional Medical Care

We have advanced medical equipment and professional staff for examination.

■ Clinical Departments

General Medicine, Thoracic Surgery, Respiratory Medicine, Cardiology, Cardiovascular Surgery, Gastroenterology, Gastrointestinal Endoscopy, Gastroenterological Surgery, Diabetes and Endocrinology, Orthopedics, Rehabilitation, Dermatology, Plastic Surgery, Neurosurgery, Spine Surgery, Gynecology, Breast and Endocrine Surgery, Urology, Nephrology, Radiology, Radiation Therapy, Emergency Medicine and Critical Care, Anesthesiology, Oncology, Diagnostic Pathology, Medical Examination Center SOPHIA
